

**Expanded Range of Modular 1½" Kindorf Fittings and Post Bases Now Supports More Applications**

**Kindorf®**

Modular 1½"  
Fittings and Post Bases

# Kindorf®

## Modular 1½" Fittings and Post bases

### Support more applications

Thomas & Betts is pleased to launch this new expanded range of fittings and post bases designed for the modular 1½" Kindorf system.

**Expanded Fittings Offering** The modular Kindorf system now has more mounting options available for more applications with this new range of fittings.

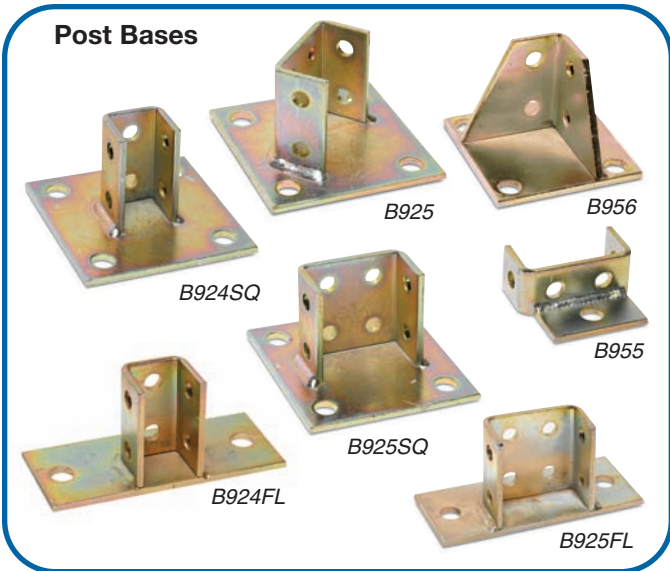

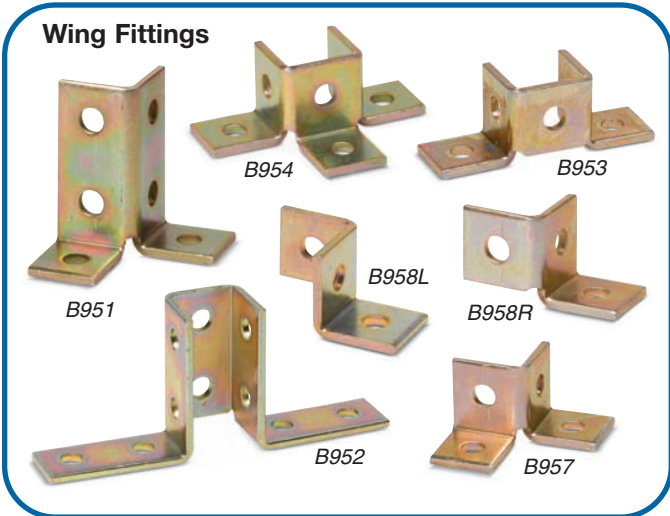

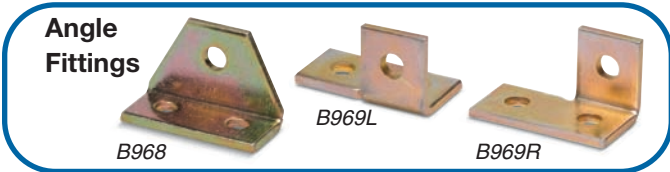

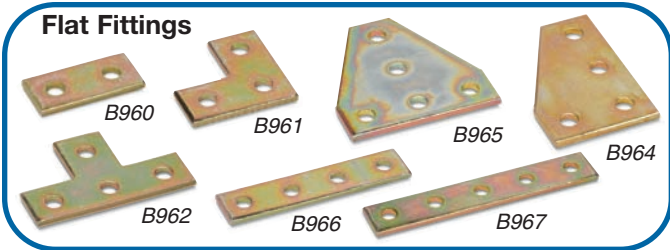

**Modular 1½" Design** The Kindorf modular 1½" system is synonymous with labor savings. And the new Kindorf fittings and Post Bases are designed with 1½" hole spacings so the modular connections are easy and dependable.

**Flush Style Post Bases** In addition to an expanded range of traditional post bases, new Flush Style Post Bases enable close position of columns.

**Available in a Wide Range of Finishes** Kindorf Fittings and Post Bases are available in: Galv-Krom®, SilverGalv™, Hot Dip Galvanized, Stainless Steel and 316 Stainless Steel.
