Traditional Collections

MAXIM[®]
L I G H T I N G

Like fine art, traditional style lighting characterizes a home as a place of rich heritage and time-honored customs. Each piece stands alone as a decorative element in its own right, filling rooms with diffused warmth and subtle tones. Evoking images of elaborate European mansions or historic American homes, Maxim pairs elaborate globes, shades, and bases with classic finishes reminiscent of bygone eras. Chandeliers and pendants, sconces and table lamps all carry the unmistakable stamp of impeccable craftsmanship inherent in all Maxim products.

Chic

The Chic collection uses symmetry and sparkle to make a profound statement with its curvaceous arms in a warm Heritage finish complementing the smooth Cognac glass bowls. As the chandelier descends from its ornate base, teardrop Crystals reflect and refract the light, casting a romantic glow.

Genoa

Inspired by old world artisans, the Genoa exhibits a combination of fine craftsmanship and attention to detail. From the boldness of the cast metal medallions to the fine intricacy of the hand-painted accents, this collection was designed for the finest of homes. The multi-step process of the Modello finish blends perfect tones of gold and browns in a mottled texture that adds depth and warmth. The included hand-painted crystals contrast beautifully with the finish and add graceful elegance. The Mocha Cloud glass found on some models casts a beautiful soft light in the room.

Transitional Collections

MAXIM
LIGHTING

When traditional seems too antiquated and contemporary too stark, transitional style lighting finds an aesthetic middle ground that synthesizes the best of both worlds. Bold but classic materials like steel and iron curve into simple shapes and lines without falling into the trendy trap of extremism. The result: warmth and elegance without opulence, simplicity without starkness. The transitional style suits those who prefer the sophisticated and classy with a twist of nonconformity. Diverse and creative, Maxim's collection of transitional lighting fixtures defies labels and stereo types, opening up a whole new world of style options.

Luminous

Simple straight line frames fashioned in minimalist style finished in our Rustic Ebony are electrified by the warmth and beauty of the Stone Candle shades. These shades are carved out of solid stone and each has a personality of its own.
