512HDFM35

512HDFM70

The heavy-duty Fan/Fixture Mount kits, part of the CADDY® line of fasteners from ERICO®, are ideal for supporting up to 35/50 lbs with a single brace or 70/90 lbs with a double brace. Included in each mounting kit are two Fixture Mount Stabilizer Clips (FMSBC1) and the innovative CADDY® SPEED LINK universal support system, which serves as the means of support to meet the requirements of the NEC®.

The 2-1/8" electrical box is pre-mounted in the center of the brace and features three open knockouts for quick and easy installation. The installed box position is also fully adjustable over 16" to provide a customizable installation.
