

QuickPort® Stainless Steel Wallphone Wallplate

APPLICATION

Leviton's QuickPort® Stainless Steel Wallphone Wallplates are designed with rivets to support a variety of wall-mount telephones while offering field-configurable flexibility. Single-port opening accepts QuickPort snap-in Connectors and Adapters to support a variety of commercial and residential applications. The wallplates are available in flush or recessed versions; the flush version allows the QuickPort Connector to rest flush with the wallplate; the recessed version allows the connector to extend out from the plate and fit cleanly with a telephone's slide rail mechanism.

STANDARDS COMPLIANCE

Meets all applicable standards: cULus listed; complies with TIA/EIA-570-A.

PHYSICAL SPECIFICATIONS

Dimensions: 4.5"H x 2.75"W x 0.187"D
