New in this Catalog

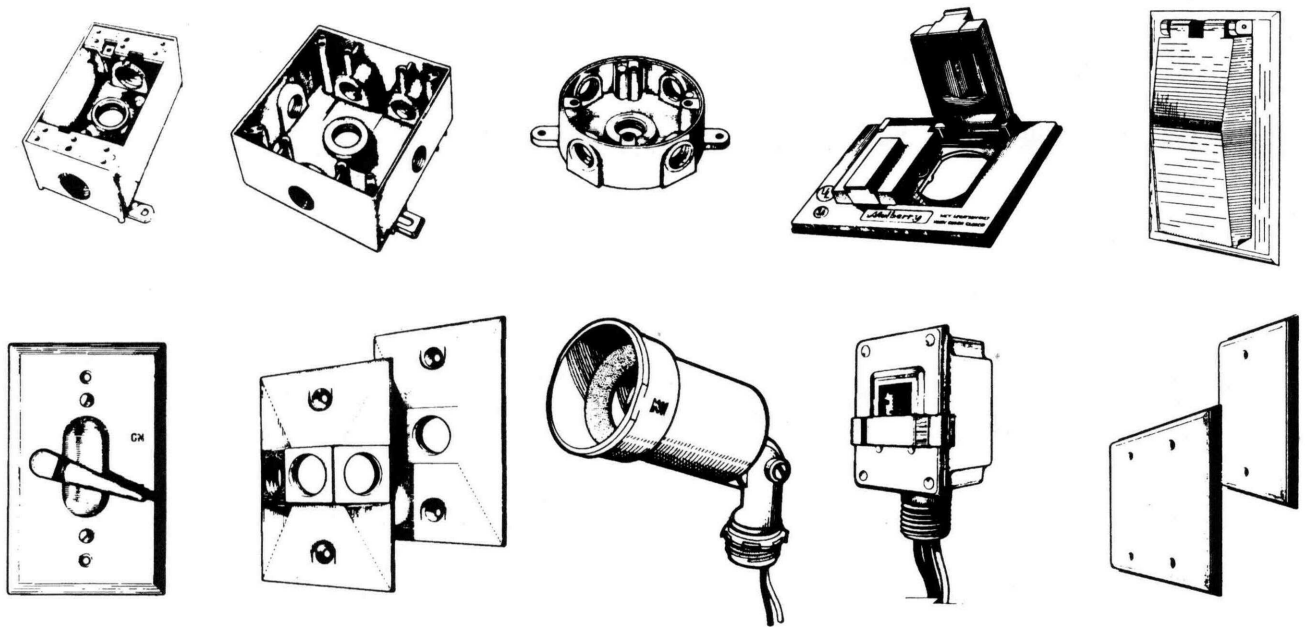

COLORS: Our most popular weatherproof items are now also available in white, bronze, and green (W, Z, or G suffix), the architectural colors demanded by today's customers.

VISUAL PACKAGING: Weatherproof items are now shrinkwrapped and bar-coded for your and your customers' convenience.

SMALLER CARTONS: The new boxes are ideal for warehouse or self-serve areas, and the new LOWER QUANTITIES make for easier ordering and leaner inventories.

WEATHERSAFE™: Mulberry's versatile, easy-to-install weatherproof-while-in-use cover is featured on page B26.

CONDUIT BODIES: New from Mulberry, they appear in Catalog C.

Mulberry . . .

Selection: Mulberry offers a complete weatherproof line. And, in covers especially, we not only have the broadest catalog selection in the industry, but can also manufacture almost any opening.

Capacity: Mulberry's one- and two- gang boxes and WeatherSafe cover give you the biggest capacity available.

American-Made Quality: Each Mulberry weatherproof item is manufactured for precision and durability. All of our products are manufactured and packaged in USA.

The Exclusive Mountie Box: The Mountie's attached swivel lugs save you installation time and money.

A NOTE ON ORDERING COLORS . . .

Key items are available in white and bronze as standard items, as listed in this catalog; many items are also available in green.

Please use a SUFFIX to indicate a color other than standard gray. For example,

30201	Gray	1G weatherproof box, 3H-1/2
30201W	White	"
30201Z	Bronze	"
30201G	Green	"

The Mulberry Catalog has been divided into four sections for greater clarity and convenience. Section B, on the following pages, presents WEATHERPROOF BOXES, COVERS, LIGHTING, PHOTO CONTROLS, AND ACCESSORIES.

Catalog Section A covers wallplates, both metal and plastic. Section C presents outlet box covers, knockout seals, and washers. Section H focuses on blister-packed wallplates and other hardware and DIY items.
