

## DESCRIPTION

The CEL Series offers quality and value with an Edge-Lit LED based emergency exit. The CEL is ideal for architectural applications and offers surface and recessed mounting options. The acrylic panels are ultrasonically welded and taped at the edges to maximize illumination and visibility. The Exit panel can be ratcheted to various angles for mounting to angled surfaces. The housing finish and trim-plate is brushed aluminum. Recessed mount model comes with a full recessed box complete with integrated caddy-bar assembly. Surface mount model has a clam-shell design for easy installation and access to internal circuitry. Canopy and mounting hardware included. All models are for emergency operation complete with a NiCad battery, status LED and Push-to-Test switch.
