### ROBROY INDUSTRIES - CONDUIT DIVISION TERMS AND CONDITIONS OF SALES

**Acceptance:** All orders are subject to acceptance by ROBROY Conduit Division.

**Delivery:** Delivery date given prior to or after placement of an order is determined to the best of our ability based on our normal production cycle. The delivery date is in no way guaranteed unless otherwise specified in writing. Therefore ROBROY Conduit Division is not indemnitor for any damages, losses, or claims whatsoever due to inability to meet such delivery date.

**Payment Terms:** 2% 10th Prox, Net 25th; payment in U.S. funds.

**Minimum Billing:** Orders of less than \$250 net value will be invoiced at \$250 plus transportation charges.

**Freight:** F.O.B. point of shipment.

Freight allowance is based on a single order which is to be routed in one shipment to a single destination by common carrier. Freight allowance is best way.

Additional requirements will be handled pre-paid and charged or collect. Freight charges include any appropriate and/or extraordinary packaging or handling charges.

Shipments will be completed without back orders. If a partial shipment is requested on a freight allowed order and each shipment would not qualify for allowance, freight will be allowed on the portion having the greater weight.

Freight to stocking distributors is prepaid and allowed on \$6,000.00 (net) orders or more (freight as quoted). All shipments are F.O.B. point of shipment, routing method and carrier will be determined by ROBROY Conduit Division. Alaska, Hawaii and export shipments are F.A.S. Port of Embarkation with all export charges to the buyer's account.

On orders that do not qualify for the freight allowance, freight charges will be prepaid and added to the invoice.

**Damage or Loss in Transit:** Delivery of products to a carrier at ROBROY Conduit Division plant or other shipping point shall constitute delivery to Purchaser; and regardless of freight payment, all risk or loss or damage in transit, shall pass to Purchaser at that time. Purchaser shall make claims for loss or damage of goods while in transit against the carrier. Immediate inspection of goods at time of delivery and prompt filing of claim will facilitate a proper settlement of claim.

**Cancellation:** Orders for normal quantities of standard catalog listed goods may be canceled without charge, if written instructions are received at the factory in time to stop shipment. Cancellation of orders for special products will not be accepted after order release.

**Return of Goods:** No material will be returned to, or accepted by ROBROY Conduit Division without written permission. Only normally stocked products in resalable condition will be considered returnable. A minimum restocking charge of 35% of the price originally paid for the material will apply. Transportation charges on the returned material must be prepaid. Material ordered for or shipped to job sites will not be accepted for return under any condition except warranty.

Non-Catalog and Material specially fabricated to the customer's specifications cannot be returned for credit unless the return is made necessary through poor workmanship or defective materials supplied by ROBROY Conduit Division. Should this be the reason for the requested return, it will be allowed and appropriate credit issued.

**Shortage:** No shortage claims will be recognized unless such shortage is report to our Gilmer, Texas office within fifteen (15) days from receipt of shipment at destination.

**Warranties:** ROBROY Conduit Division warrants Plasti-Bond RedH<sub>2</sub>OT products manufactured by the company to be free from defects in materials and workmanship for a period of 5 years from the date of shipment from its plant. If within such period any such goods shall be proven to ROBROY's satisfaction to be so defective, then and in that event such equipment shall be repaired or replaced at ROBROY's option. Such correction or replacement of defective goods shall constitute a fulfillment of all liabilities in respect to such goods. Installation not in accordance with written ROBROY recommendations shall void warranty.

The foregoing warranty is exclusive and in lieu of all other warranties of quality, expressed or implied, and all other warranties, including any warranty of merchantability or fitness for a particular purpose are hereby disclaimed.

**Rework:** No credit will be allowed for rework unless authorized in advance in writing by the appropriate factory location of ROBROY Conduit Division.
