

Adjust-it

BOX-TO-BOX CONNECTOR

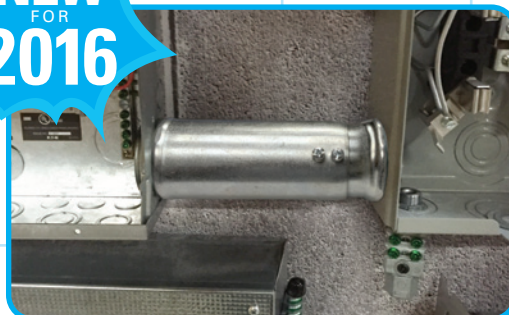

Connect two boxes with ease!

Connecting two boxes that are already installed can be time consuming and challenging. Madison's Adjust-It Box-to-Box Connector makes your job quick and easy, without any dismantling. Simply punch out the knockouts in the two boxes, insert one end of the Adjust-It Box-to-Box Connector into one box and slide the other end into the other box. Tighten down the two set screws, install the supplied locknuts and you are finished! You can now carry one part that can replace up to seven different length nipples.

- Works for any box-to-box application
- Durable zinc-plated steel construction
- Fully adjustable
- 2" diameter
- Available in 5" - 7" and 7.5" - 12" lengths
- No extra parts needed (locknuts included)
- UL listed
