

## **INNOVATIVE PRODUCTS BUILT FOR CONSTRUCTION PROFESSIONALS**

**GUARANTEED TOUGH. ALWAYS COMFORTABLE.**

### **B145 – CARPENTER'S TRIPLE TOOL BELT**

One of our most popular tool belts is the carpenter's triple pouch combo. It features a sturdy yet comfortable support belt and is loved by everyone who uses it. In addition this combo includes three pouches and a hammer holster. Between the two pouches you have 16 pockets in varying sizes in order to accommodate all of your tools and supplies from nails and utility knives to hammers and measuring tapes. The large third pouch is perfect for storing your supplies for those long jobs.

Also recommended are our air-channel suspenders.

**Includes:**

- B101 - Carpenter's Tool Pouch
- B102 - Carpenter's Seven Pocket Pouch
- B103 - Single Pouch
- B602 - Hammer Holster
- B604 - Tape Clip
- B400 - Molded Air-Channel Tool Support Belt

Increase your comfort with the first ever  
“Molded Air-Channel Comfort System”

This unique patent protected design provides comfort, support and ventilation.

## **B240 – ELECTRICIAN’S TOOL BELT COMBO**

This tool belt combo is built with the electrician in mind. Like our other tool belt combos it features our padded support belt. This belt features two pouches that count a total of 27 different pockets. The electrician tool pouch is designed for all of your smaller tools and even has a tape chain on it. The nine pocket pouch has larger pockets for carrying larger tools and supplies.

Also recommended are our air-channel suspenders.

### **Includes:**

- B201 - Electrician Tool Pouch**
- B202 - Nine Pocket Pouch**
- B602 - Hammer Holster**
- B604 - Tape Clip**
- B400 - Molded Air-Channel Support Belt**

## **B606 – MOLDED AIR CHANNEL SUSPENDERS**

Our popular padded suspenders are purchased by almost everyone who purchases one of our tool belts or a combo. These tool belt suspenders easily clip onto the sturdy metal rings that are built into our molded air-channel support tool belts.

### **Includes:**

- Adjustable Thick Molded Foam Shoulder Pads**
- Air-Channels to Provide Ventilation**
- 2" Wide Adjustable Nylon Straps**
- Leather Crossover Divider**
- Heavy Duty Spring Hooks that attach to the rings on the Molded Air-Channel Belts**
