LRP Series Brochure

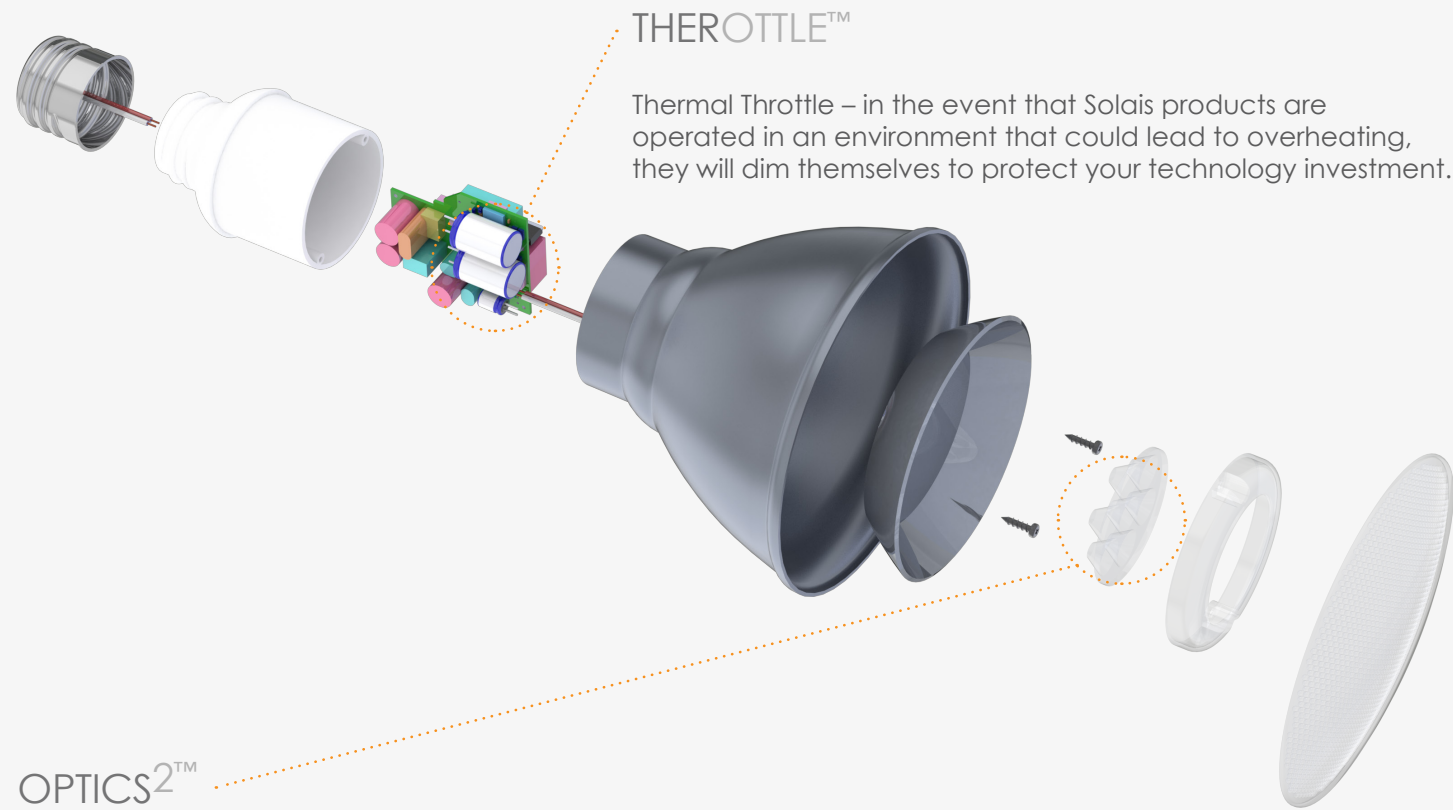

## LRP Series

BR and PAR LED Replacement Lamps

Solais Lighting's LRP family of LED lamps offers a unique replacement solution for traditional lighting sources – providing the incandescent performance, light output and aesthetics with our recessed OPTICS2 patent-pending technology.

## TECHNOLOGY

### THEROTTLE™

Thermal Throttle – in the event that Solais products are operated in an environment that could lead to overheating, they will dim themselves to protect your technology investment.

### OPTICS2™

A system involving a recessed primary optic and a secondary surface optic that allows Solais LRP lamps to duplicate the exact performance and aesthetics of incandescent lamps.

	Product	Lumen Range	Wattage Range	Beam Angles	CCT	Base Type	Housing Colors	Accessories	ENERGY STAR®
	LBR40	900 - 950	16	FL	2700K 3000K	E26	Silver	N/A
