LCAT

LED CONTEMPORARY ARCHITECTURAL TROFFER

LCAT provides both aesthetics and value with an architectural appearance and LED technology. With a full family of sizes, LCAT offers a wide range of options for classrooms, offices, retail and healthcare applications. LCAT can be ordered from stock, through Quick-Ship, or made to order for additional customization.

A Wide Choice of Sizes, Lumen Packages, & Options

DLC
DLC® (DesignLights Consortium) Qualified, with some Premium Qualified configurations - see www.designlights.org

Multiple Shielding Options
Two attractive lens options to enhance any installation type.

A Full Family of Architectural Sizes

1'x2'
A small scale, attractive option for corridors, conference rooms, reception desks and architectural insets.

Product Availability 80 CRI				
Size	Lumen Package	Nominal Lumens	Watts	LPW
12	VW	1519-1730	13	114-130
	MW	1744-1986	18	99-113

	VL	6999-7972	59	119-135
		XL	8168-9304	74

NOTE: Nominal lumen range represents 3000K through 5000K. Lumens vary according to color temperatures and other factors. See specific photometric test(s).

Diverse Installation Options with a Consistent Look

<p>Flange Kit Recessed hard ceilings are simple and straightforward with the FK (flange kit) accessory available on all sizes. Continuous row (CR) also available on most configurations.</p>	<p>Surface & Cable Mount LCAT offers an optional surface mount for areas where a recessed ceiling is not available. A cable mount option is offered for high or obstructed ceilings where a matching suspended luminaire is optimal.</p>
<p>SLK Troffer Conversion Kit For retrofit opportunities where existing luminaire housings can be utilized, SLK LED troffer conversion kit matches the appearance of LCAT24 and LCAT22.</p> 	<p>Optional Air Return Slots along the housing edge allow air return to the HVAC when this option is specified. Air return is available in all sizes.</p> 

Customize with Practical Options

<p>LED drivers A wide range of drivers make LCAT flexible and controls friendly. Choose from 0-10V dimming, 0-10V dimming to 1%, Lutron Series 5, Lutron H, fixed output and stepped output.</p>	<p>Egress Life safety compatibility for security and code compliance:</p> <ul style="list-style-type: none"> • Integral LED NiCAD battery or • Remote mounted Dual-Lite inverter systems
<p>Color Temperatures 3000K, 3500K, 4000K and 5000K corrected color temperatures are well suited to office, education, health care and retail applications. For color consistency across the ceiling plane, LCAT maintains a 3-Step MacAdam ellipse within the fixture, from fixture-to-fixture, and over time.</p>	<p>Controls In addition to controllable drivers, LCAT luminaires can also be controlled individually with integral sensors or tied into a Hubbell Control Solutions system.</p> 

Control your space based on the needs of the application, specific activities throughout the day and preferences of the occupants with three distinct SpectraSync™ Color Tuning Technologies.

Dim to Warm

Dim to Warm mimics the familiar warming effect that occurs with traditional incandescent sources as they are dimmed. (Available with 2200K-3000K)

Tunable White

Tunable White offers you the ability to tailor correlated color temperature (CCT) to your personal preference, enhancing color visibility, material and colors and the aesthetics of the space. (Available with 2700K-5000K or 2700K-6500K)

Scheduled White

Scheduled White creates an environment that mimics the rhythm of natural light or follows an alternative user-defined schedule throughout the day, enhancing an occupant's mood and well-being. (Available with 2700K-5000K or 2700K-6500K)

Long Life, Low Maintenance & Reliable

Long Life LEDs – Low Facility Maintenance Over Time

- Tested in according with the rigorous standards of IESNA TM-21
- 60,000 hours rated life with 80% lumen maintenance (L80)
 - Over 150,000 hours projected life

POWERHUBB[®] PoE LIGHTING & CONTROL

Hubbell Control Solutions' PowerHUBB[™] is an enterprise level Power over Ethernet (PoE) lighting and control platform that seamlessly integrates luminaires, sensors, human interfaces and software for a scalable intelligent building control solution. For more information and ordering availability, see LCATPH at www.columbialighting.com.

Snap-Fit Center Lens

LCAT's attractive center lens installs or removes with a simple, secure, snap-fit attachment.

Replaceable Components with Below-Ceiling Access

LCAT LED boards and drivers are replaceable and accessible from below the ceiling plane for truly sustainable design.

DLC[®] Qualified

DLC[®] (DesignLights Consortium) Qualified, with some Premium Qualified configurations - see www.designlights.org.

Controls Compatible

Optional occupancy and daylight sensors are available for factory installed controls, or pair LCAT with external controls for enhanced energy savings and code compliance.

Warranty

Standard with 5 year warranty.

QR Code Traceability

Each LCAT ships with a QR code affixed to the housing. The QR code contains detailed product information for future traceability.

Hubbell Control Solutions

NX Distributed Intelligence[™] supports indoor and outdoor applications, wired, wireless and hybrid networked NX lighting control deployments, and enables emerging applications such as Hubbell Lighting's SpectraSync[™] color tuning technology.

Readily Available STOCK QS7

LCAT products are available for standard and quick-turn project needs.

- Stocked in popular configurations throughout the continental USA
- Quick-ship configurations available for over 128 combinations of features and options
- Less common, Made-To-Order configurations ship with responsive lead times for project customization

Simple Fluorescent Replacement

Replace (2) 4' T8 lamps with LCAT LW for

36% energy savings per fixture.

Replace (3) 4' T8 lamps with LCAT VL for

30% energy savings per fixture.

Replace (4) 4' T8 lamps with LCAT XL for

33% energy savings per fixture.

Replace 2 U-Bent lamps with LCAT22 HL for

45% energy savings per fixture.

1. Not available with HE lumen output.
2. Available with ED driver and 80 CRI only, N/A with HE, VL (2x2) XL (2x4) lumen outputs.
3. For drywall, order G with Flange Kit Accessory.
4. Not available with Air Return (A) air function.
5. Order hanger accessories separately.
6. Limitations apply based on product size and lumen packages; see individual spec sheets.
7. For compatibility with Dual-Lite LiteGear(R) inverters, contact Hubbell Lighting Representative.
8. Not available in 347V.
9. Only available with 0-10V Dimming (ED) Driver Option.

10. Registered trademark of Daintree Networks, used by permission.
11. Not available with E, ESD, LUTH or LUT5.
12. VIVE is a trademark of Lutron Electronics Co., Inc.
13. Installations controlled solely by the Lutron Pico controller require accessing the LV (Lutron FCJS) module for commissioning after the circuit has been energized.
14. LVS and LVR only available with DALIP.
15. DALIP only available with LVS and LVR Control Options.
