ARRA

Cooper Lighting is uniquely positioned to help customers take advantage of the vast opportunities brought forth by the passing of the American Recovery and Reinvestment Act (ARRA)

The American Recovery and Reinvestment Act

On February 17, 2009 Congress passed the final version of the financial stimulus legislation "American Recovery and Reinvestment Act," also called ARRA. ARRA contains a strong "Buy American" provision to ensure the support of domestic companies and domestic workers.

Elements of the Act

- Revive the renewable energy industry and provide the capital over the next three years to eventually double domestic renewable energy capacity.
- Enact the largest increase in funding of our nation's roads, bridges, and mass transit systems since the creation of the national highway system in the 1950s.
- Invest \$4.5B on Energy Delivery and Reliability, and \$16.8B on Energy Efficiency.

We have added an additional column to the Cooper Lighting stock guide so that you will be able to easily identify products in our inventory that meet ARRA requirements.

Look for the ★

This guide only represents a small portion of the products Cooper Lighting has to offer. If you have any questions or need additional information on these or other products that are to be used on ARRA Stimulus, or government projects please contact one of our customer service experts and they will give you detailed information to ensure the product qualifies for the specific project.

ARRA identified items in this guide are for informational purposes only and represent products that Cooper has initially determined to be eligible under the Buy American provision (section 1605) of the American Recovery and Reinvestment Act (ARRA) for federally-funded ARRA projects. Cooper Lighting will provide an appropriate certification upon request after reviewing eligibility requirements and funding sources of a specific project.

As noted in this guide, the products were produced in the United States, in a Free Trade Agreement (FTA) country, a Least Developed Country (LDC), or in a World Trade Agreement Government Procurement Agreement (WTO GPA) country. If produced in an FTA country, LDC, or WTO GPA country, Cooper Lighting understands that the project must meet the applicable contract thresholds in order for the goods to be eligible for ARRA funding. Cooper Lighting has not sought nor has it received any waiver of the ARRA Buy American provision.

This guide does not provide country of origin or certification that any listed products satisfy the requirements of any applicable free trade agreements.

Remember, The Buy American Indicator ★ is for Stock Guide items ONLY. For all other products, please contact your Customer Service Representative.

Terms and Conditions

1. **Applicable Terms and Conditions**
 - (a) These terms and conditions of sale establish the rights, obligations, and remedies of Buyer and Seller that apply to any order issued by Buyer for the purchase of Seller's products and/or services ("Products"). No additional or different terms or conditions, whether contained in Buyer's purchase order form or in any other document or communication pertaining to Buyer's order, will be binding on Seller unless accepted in writing by an authorized representative of Seller. Seller expressly objects to and rejects any additional or different terms and conditions, which shall be ineffective.
 - (b) If Seller's order acknowledgment, invoice, other document, or electronic transmittal including or attaching these terms and conditions is found to be an acceptance of an offer, acceptance is expressly made conditional upon Buyer's assent solely to these terms and conditions, and acceptance of any part of Products delivered by Seller shall be deemed to constitute such assent by Buyer. If the order acknowledgment, invoice, other document, or electronic transmittal including or attaching these terms and conditions constitutes an offer, Buyer's acceptance of the offer is hereby limited to the terms of the offer.
2. **Price, Payment Terms, and Title**
 - (a) All prices represent those in effect at the time of quotation and are subject to change without notice. Unless prices are bid or quoted as "firm," Seller reserves the right to invoice at prices in effect at the date of shipment, regardless of any prior bid and whether notice was received by Buyer. Prices are stated in United States dollars unless otherwise indicated, are exclusive of shipping, handling, shipping insurance, duties, and sales, use, excise or similar taxes. Export packaging or any other special handling requested by Buyer will be at Buyer's expense. A service charge of \$25 will be assessed for any order less than \$100.
 - (b) Buyer acknowledges that the pricing of the Products has been set based on the agreed allocation of risks contained in these terms and conditions. If, notwithstanding the provisions of these terms and conditions, a court of competent jurisdiction determines that Buyer's terms and conditions apply to an order, then Seller shall have the right to either (i) modify the prices (including retroactively) according to the additional level of risk and responsibility that Buyer's terms and conditions require Seller to undertake, or (ii) cancel the order any time after such a determination without liability for the termination other than for the Products already delivered on these terms and conditions.
 - (c) Unless different credit terms have been extended to Buyer in writing by Seller, payment terms are net 30 days after delivery or date of invoice, whichever first occurs, in the currency invoiced. Seller reserves the right to modify or withdraw credit terms at any time without notice. If Buyer fails to fulfill the terms of payment, Seller may defer further shipments to Buyer or, at its option, cancel the unshipped portions of Buyer's orders. Buyer agrees to pay interest on all past due invoices at the lesser of 18% per annum, compounded monthly, or the highest contractual rate allowable under the law.
 - (d) Until full payment of all obligations of the Buyer for an order, Seller reserves the title (but not the risk of loss) to all Products furnished under that order. If the Buyer defaults in payment or performance or becomes subject to insolvency, receivership or bankruptcy proceedings or makes an assignment for the benefit of creditors, or without the consent of Seller voluntarily or involuntarily sells, transfers, leases or permits any lien or attachment on the Products, Seller may treat all amounts then or thereafter owing by Buyer to be immediately due and payable and Seller at its election may repossess Products for which Buyer has not paid in full. In the event of repossession of Products under this section, Buyer agrees that Seller may enter the premises where the Products may be located and remove them without notice and without being liable to Buyer for such repossession. Buyer will not set off invoiced amounts or any portion thereof against sums that are due or may become due from Seller, its parents, affiliates, or subsidiaries. Buyer grants Seller a security interest in all Products for which title has passed (including all after-acquired Products) that Seller sells Buyer and all proceeds of Products (including but not limited to all products in which Products are incorporated and any funds and products that Buyer receives in exchange for Products). Buyer consents to Seller's execution of any documents to evidence and perfect this security interest, and agrees to execute the same if requested by Seller.
3. **Delivery and Risk of Loss**
 - (a) Unless otherwise agreed in writing, all deliveries of Products will be EXW (Incoterms 2000) Seller's facility. Products will be packed in Seller's standard commercial shipping packages. Charges for shipping may not reflect net transportation costs paid by Seller. Buyer shall reimburse Seller for all costs of storage and handling incurred by Seller after the date that Seller is prepared to make shipment.
 - (b) Delivery and shipping dates are approximate and represent Seller's best estimate of the time required to make delivery or shipment. Time is not of the essence with respect to the transactions covered by these terms and conditions, except with respect to Buyer's obligation to make all related payments. Seller's obligations under these terms and conditions will be dependent upon Seller's ability to obtain necessary raw materials and components. Seller shall have the right to make partial deliveries and to ship up to forty (40) days in advance of shipping date.
4. **Acceptance**

Acceptance shall occur, if not before, when Buyer fails to reject within ten (10) days after delivery of the Products. Buyer may rightfully reject only when a reasonable inspection shows that the Products fail to conform substantially to the specifications for the Products. Buyer waives any right to revoke acceptance. Buyer's remedies for any nonconformity detected after acceptance are limited to those expressly provided in these terms and conditions for breach of warranty.
5. **Limited Warranty**
 - (a) Seller warrants to each original Buyer of Products that Products are, at the time of delivery to the Buyer, in good working order and conform to Seller's official published specifications, provided that no warranty is made with respect to any Product, ballasts, lamps, component parts, or accessories manufactured by others but supplied by Seller.
 - (b) Seller's obligation under this warranty for any Product provided not to be as warranted within the applicable warranty period is limited to, at its option, replacing the Product, refunding the purchase price of the Product, or using reasonable efforts to repair the Product during normal business hours at any authorized service facility of Seller. All costs of transportation of any Product claimed not to be as warranted and of any repaired or replacement Product to or from such service facility shall be borne by Buyer.
 - (c) Seller may require the return of any Product claimed not to be as warranted to one of its facilities as designated by Seller, transportation prepaid by Buyer, to establish a claim under this warranty. The cost of labor for removing a Product and for installing a repaired or replacement Product shall be borne by Buyer. Replacement parts provided under the terms of this warranty are warranted for the remainder of the warranty period of the Products in which they are installed to the same extent as if such parts were original components. Warranty services provided under these terms and conditions do not assure uninterrupted operations of Products; Seller shall not be liable for damages caused by any delays involving warranty service.
 - (d) The warranty period for Products is twelve (12) months from the date of shipment unless otherwise agreed by Seller in writing.
 - (e) EXCEPT FOR THE EXPRESS WARRANTY SET FORTH ABOVE, SELLER PROVIDES PRODUCTS AS-IS AND MAKES NO OTHER REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, STATUTORY OR OTHERWISE, REGARDING THE PRODUCTS, THEIR FITNESS FOR ANY PARTICULAR PURPOSE, THEIR MERCHANTABILITY, THEIR QUALITY, THEIR NONINFRINGEMENT, OR OTHERWISE. IN NO EVENT SHALL SELLER BE LIABLE FOR THE COST OF PROCUREMENT OR INSTALLATION OF SUBSTITUTE GOODS. THIS WARRANTY SPECIFICALLY EXCLUDES POLE FAILURE RESULTING FROM A THIRD-PARTY ACT OR OMISSION, MISUSE, UNANTICIPATED USE, FATIGUE, FAILURE, OR SIMILAR PHENOMENA RESULTING FROM INDUCED VIBRATION, HARMONIC OSCILLATION, OR RESONANCE FROM AIR CURRENT MOVEMENT AROUND THE PRODUCT. THIS WARRANTY SPECIFICALLY EXCLUDES POLES INSTALLED WITHOUT THE LUMINAIRES OR WITH UNAPPROVED DEVICES SUCH AS BANNERS, PENNANTS, CAMERAS, OR SIGNS, FOR WHICH THE POLE WAS NOT DESIGNED. USE OF SUCH ACCESSORIES MAY RESULT IN INJURY, DEATH OR PROPERTY DAMAGE. THIS WARRANTY SPECIFICALLY EXCLUDES POLES USING PRE-EXISTING ANCHORAGES, ANCHOR BOLTS, OR BOLT ADAPTERS NOT SUPPLIED BY COOPER LIGHTING. IT ALSO EXCLUDES ISSUES RELATED TO FOUNDATION OR SOIL CONDITIONS AT THE INSTALLATION SITE.
6. **LIMITATION OF LIABILITY**

IN NO EVENT WILL SELLER BE LIABLE FOR ANY SPECIAL DAMAGES, CONSEQUENTIAL DAMAGES, INDIRECT DAMAGES, INCIDENTAL DAMAGES, STATUTORY DAMAGES, EXEMPLARY OR PUNITIVE DAMAGES, LOSS OF PROFITS, LOSS OF REVENUE, LIQUIDATED DAMAGES, OR LOSS OF USE, EVEN IF INFORMED OF THE POSSIBILITY OF SUCH DAMAGES. SELLER'S LIABILITY FOR DAMAGES ARISING OUT OF OR RELATED TO A PRODUCT SHALL IN NO CASE EXCEED THE PURCHASE PRICE OF THE PRODUCT FROM WHICH THE CLAIM ARISES. TO THE EXTENT PERMITTED BY APPLICABLE LAW, THESE LIMITATIONS AND EXCLUSIONS WILL APPLY WHETHER SELLER'S LIABILITY ARISES OR RESULTS FROM BREACH OF CONTRACT, BREACH OF WARRANTY, TORT (INCLUDING BUT NOT LIMITED TO NEGLIGENCE, GROSS NEGLIGENCE, MALICE, OR INTENTIONAL CONDUCT), STRICT LIABILITY, BY OPERATION OF LAW, OR OTHERWISE.
7. **Cancellation and Return of Products**

Orders shall not be subject to cancellation or modification either in whole or in part without Seller's written consent and then only with terms that will reimburse Seller for all applicable costs incurred by virtue of the sale, including costs of purchased materials, engineering costs and a reasonable allowance for profit. Seller's written consent must be given in advance of Buyer's return of Products for credit. Seller reserves the right to cancel any sale of Products without liability to Buyer (except for refund of monies already paid), if the manufacture or sale of the goods is or becomes technically or economically impractical.
8. **Force Majeure**
