Philips Lighting Electronics N.A.® Lamp Ballast Limited Warranty

Philips Lighting Electronics N.A., 10275 W. Higgins Road, Rosemont, IL 60018 warrants that its lamp ballasts will be free from defects in material and workmanship from the date of manufacture by Philips Lighting Electronics N.A. for specific time periods.

Ballast warranty depends upon ballast type, product family and maximum case temperature.

Please go to our web site for up-to-date warranty information.

www.philips.com/advancewarranty

Warranty Terms and Conditions

This warranty is conditioned upon proper storage, installation, use and maintenance. This warranty is not applicable to any ballast which is not installed and operated in accordance with the current edition of The National Electric Code (NEC), the Standards for Safety of Underwriters' Laboratory, Inc. (UL), the Standards for the American National Standards Institute (ANSI), and with Philips Lighting Electronics N.A.'s instructions and guidelines for the ballast. This warranty is not applicable to any ballast which is installed with lamps not meeting ANSI requirements unless the ballast is designed to operate a specific non-ANSI lamp and marked accordingly. This warranty is not applicable to any ballast subjected to abnormal stresses and operating conditions.

Philips Lighting Electronics N.A. shall correct any defects, at Philips Lighting Electronics N.A.'s option, by either repairing any defective part or parts or by replacing any defective part or parts or by making available a new replacement ballast.

The conditions of any tests concerning any ballast which is claimed to have not performed to this warranty shall be mutually agreed upon in writing and Philips Lighting Electronics N.A. shall be notified of, and may be represented at any such tests. This express limited warranty is extended by Philips Lighting Electronics N.A. only to the original or first end-user purchaser.

Warranty claims are to be made in accordance with Philips Lighting Electronics N.A.'s published Warranty Service Program.

NO IMPLIED STATUTORY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE SHALL APPLY BEYOND THE AFOREMENTIONED WARRANTY PERIOD. The foregoing warranty is exclusive of all other statutory, written or oral warranties, and no other warranties of any kind, statutory or otherwise, are given or herein expressed. This warranty sets forth Advance's responsibilities regarding the ballast and claimant's exclusive remedy.

LIMITATION OF LIABILITY. Advance will not under any circumstances whether as a result of breach of contract, breach of warranty, tort, strict liability or otherwise be liable for consequential, incidental, special or exemplary damages including but not limited to, loss of profits or revenues, loss of use of ballast or any other goods or associated equipment or damage to any associated equipment, cost of capital, cost of substitute products, facilities of services, down time cost, or claims of claimant's customers.

Philips Lighting Electronics N.A.'s liability on any claim of any kind for any loss or damages arising out of, resulting from or concerning any aspect of this agreement of from the product or services furnished hereunder shall not exceed the price of the specific ballast or ballasts which gives rise to the claim.

This warranty gives the claimant specific legal rights. The claimant may also have other rights which vary from state to state.

CONDITIONS OF SALE

1. TERMS: Service-Stocking Distributor—2% 10th prox., net 15th prox.
2. TRANSPORTATION: As a value-added service to our Distributor customers, freight is prepaid and routed at our discretion by one of our pre-selected and approved carriers for shipments of \$750 or greater or on shipments of electronic ballasts (only) of 200lbs or more per bill-of-lading, or if the entire combined electronic/magnetic bill-of-lading exceeds 500lbs. Qualifying orders ship to all direct customer locations (points) in the United States, except Alaska and Hawaii, provided Philips Lighting Electronics N.A. a) selects method of shipment and b) routing of shipment. For shipments less than \$750 or on shipments of electronic ballasts (only) of 200lbs or less per bill-of-lading, or if the entire combined electronic/magnetic bill-of-lading is less than 500lbs, the Distributor is charged for freight.
3. PRICE POLICY: All ballast will be billed at prices in effect at the time of shipment. Prices are subject to change without notice. Minimum billing charge is \$100.00 net plus transportation charges.
4. NON-STOCKING DISTRIBUTORS: Costs as show herein x 1.3744; net 30 days.
5. SHIPMENT SHORTAGES: Must be reported to Philips Lighting Electronics N.A. within seven (7) days from date of receipt. Philips Lighting Electronics N.A. is unable to assume responsibility for shortages reported thereafter.
