Unstoppable is a promise to keep going.

One step after the other.

STEADY, INSISTENT, AN INCH AT A TIME IF NEED BE.

UNSTOPPABLE IS WHATEVER IT TAKES, EVEN IF THAT'S EVERYTHING YOU GOT.

Unstoppable is finding out you have more inside than you thought.

Unstoppable is running on empty.

In this way it's kind of a miracle, literally doing the impossible.

Unstoppable never brags, pounds its chest or spikes the ball.

That's for players, for games.

Games have clocks, time-outs, referees.

Games are pretend, and life is what they pretend to be.

Life gives you real trouble.

AND ACHIEVEMENTS IN WHICH YOU TAKE QUIET PRIDE.

NATURE ISN'T ROOTING FOR ANYBODY.

It's indifferent, and that's why you test your spirit there.

Unstoppable doesn't go it alone if it doesn't have to.

IT MARSHALS EVERY RESOURCE; PUTS TO USE EVERYTHING AT HAND.

It's ready for contingencies, snafus and logjams.

FLIPPED KAYAKS.

BEARS AND BLIZZARDS.

ACTS OF GOD.

UNSTOPPABLE IS HAVING THE RIGHT TOOL FOR EVERY PROBLEM.

TOOLS MATTER.

YEARS OF INNOVATION MATTER.

A good tool enlarges your heart, extends your will.

It lets us interact with the world on the deepest level.

STONE, WOOD, FIRE, BLOOD, SNOW.

YOU'RE OUT THERE IN THE WOODS AND SWAMP AND THE SEA.

You're out there, in it.

YOU'RE UNSTOPPABLE.

BUILT TO LAST

Gerber stands behind all of its products by offering a limited lifetime warranty. Our tools are made to stand the test of time.

BORN ON THE BATTLEFIELD

A longstanding ally to the US Military, Gerber understands the importance of trust and the fact that products are often the difference between life and death. Beginning with the famous Mark II combat knife during the Vietnam War era, Gerber has been meeting the unique needs of our men and women in uniform since 1966 and continues to develop solutions for American service personnel deployed globally. Every soldier in the US Army that deployed to Iraq or Afghanistan between 2007 and 2012 was issued a Gerber MP600 Multiplier, alongside the highly issued "06 Auto" and many other battle-tested, life-saving, problem-solving gear. Ask a member of the U.S. Military if they know Gerber and you'll get a story of reliability, loyalty and trust.

When Joseph R. Gerber described his young knife company, Gerber Legendary Blades, as the, “birth of an enterprise that grew into big business,” it was true, but it was an understatement for sure. What had started out in 1939 as a small batch of handmade cutlery sets given as holiday gifts had turned into thousands of retail accounts around the country. By 1960, Gerber had quickly become one of the most trusted, appreciated and collected names in knives.

Seventy Five years after our founding in 1939, Gerber has become an American icon with growing global reach and relevance. Dedicated to making knives, tools and gear that combine high quality materials and innovative designs that will stand up to a lifetime of use.

Gerber products now span a range of categories, from innovative camp kitchen products and sleek pocket knives to military grade tactical tools. Over 200 employees fill our headquarters each day making problem-solving, life-saving products. Whether it is a knife, a multi-tool, or a variety of ground-breaking outdoor gear, Gerber products are always tough, innovative and trusted.
