**ELCO** Lighting

*The Best Choice in Lighting*

Over two and a half decades ago, in the heart of Los Angeles, ELCO Lighting was founded on the philosophy that high quality lighting products should be sold at a fair market price. Our commitment to this philosophy and dedication to exceptional customer service serve as the very soul of our company. We take pride in our perpetual commitment to such standards that enables us to continually prosper in a highly competitive and unpredictable industry. With our expanding LED product line that entails recessed, track, under-cabinet, outdoor and emergency lighting, we are ready to fulfill a variety of lighting demands. Quality engineering, fair market value, professional customer service, and micro-managed inventory serve as the cornerstones of ELCO Lighting.

This booklet is merely a glimpse  
of the more than five hundred  
LED products ELCO Lighting  
currently holds in stock.  
Enjoy this exclusive preview.
