COLLECTION

QUOIZEL

Carolyn Kinder
INTERNATIONAL

*F*or nearly four decades, Carolyn Kinder has been designing and developing innovative collections for the home furnishings industry. Carolyn has an established reputation that has become synonymous with class and timeless design.

"This new relationship with Quoizel, a multi-focused major of the lighting industry, gives us exciting opportunities to develop new collections of lighting products, supporting accessories and accents that will bridge Quoizel's established expertise into an adjacent range of categories," Kinder said. "Their long term leadership in the lighting industry is a strong platform for all of us."

Todd Phillips, co-owner of Quoizel, said Kinder's expertise and understanding of colors, textures and design trends create a perfect synergy for Quoizel. "Quoizel's strong reputation as Artisans in the Lighting Industry is enriched and expanded by Carolyn's designs. We share a collaborative commitment to produce quality designs that are distinctive yet timeless and look forward to a continued relationship for years to come."

With roots in the heartland of America, Kinder travels the globe, discovering and developing sources to deliver rich textures, layered finishes and unique raw materials.

Uptown

COLLECTION

QUOIZEL

New York City is the epicenter of American fashion. The Uptown Collection by Sergio Orozco for Quoizel captures the eclectic fashion pulse witnessed on the streets of this energetic city and reinterprets it for homeowners who appreciate designs that are fresh, cutting edge and yet comfortably liveable.

Born and raised in Columbia and educated in Europe, Sergio Orozco has received numerous awards for his lighting designs. Now this Manhattan-based designer brings his global perspective to Quoizel's Uptown Collection, a unique design that can enhance an eclectic mix of home styles anywhere in the country.

5 YEAR WARRANTY

With a core-strengthening ingredient of natural quarry stone crushed to a fine powder and then mixed with a powerful blend of latex and adhesives, **Coastal Armour by Quoizel** creates the next generation of products by using a material of extraordinary strength, durability and beauty.

Our Coastal Armour composite material has been tested to withstand extreme heat and brutal cold; it is non-corrosive (acid and alkali-resistant) and UV resistant – both properties that make it stronger than the best resin products. That is why we are offering a 5 year warranty. Our unique synthetic composite formula allows us to fabricate our designs in high pressure injected steel molds that produce a superior quality of detail while increasing surface durability.

Coastal Armour by Quoizel will ensure many years of enjoyment with our beautiful outdoor products.
