## What's In The Box

One (1) LED High Bay

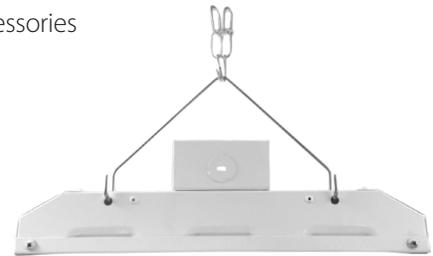

## Tools Needed

This LED High Bay requires very few tools for installation. A screwdriver and a pair of wirecutters will help with installation.

### Included Accessories

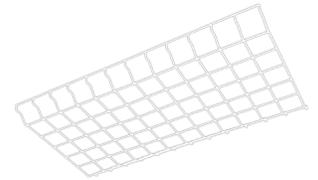

Chain Kit

### Optional Accessories

Pendant Kit

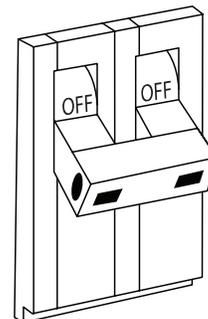

Wire Guard

## Installing LED High Bay

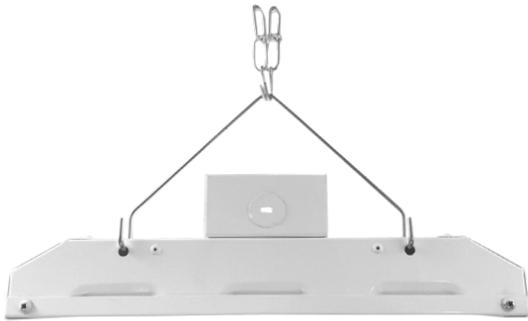

- 1 Carefully unpack the fixture from its packaging. Inspect product for defects due to shipping.

- 2 Turn off power to appropriate circuit at the breaker panel.

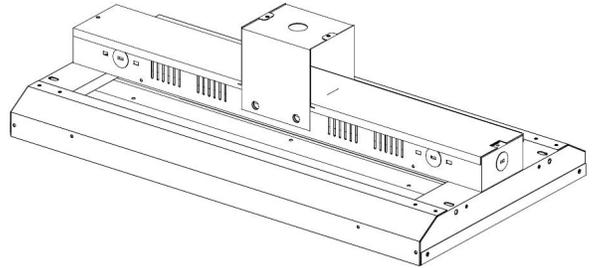

- 3a Attach the provided chain securely to the included wire hangers, then insert the wire hangers into the slotted holes, as shown below, located on top of both sides of the fixture.

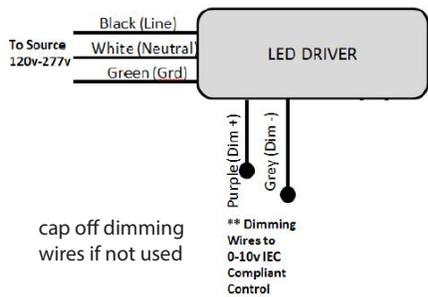

Chain Kit

- 3b Place pendant hanger on the fixture as shown below. Align screw holes and bolt the bracket to the fixture using the provided hardware.

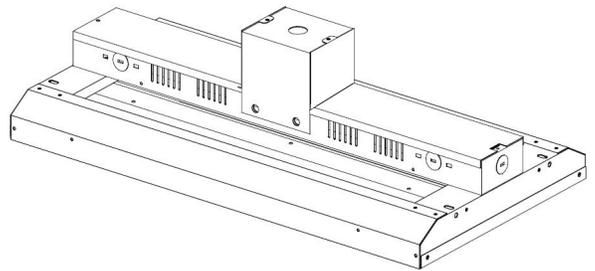

### Wiring Diagram

Attach fixture to conduit securely and make wiring connections (see wiring instructions below).

- 4b Once the connections are made, attach both face plates to the mounting bracket using the provided hardware.
