Warning,Cautions and operating instructions

• To reduce the risk of death, personal injury or property damage from fire, electric shock, falling parts, cuts/abrasions, and other hazards read all warnings and instructions included with and on the fixture box and all fixture labels.

• Before installing, servicing, or performing routine maintenance upon this equipment, follow these general precautions.

• Commercial installation, service and maintenance of luminaires should be performed by a qualified licensed electrician.

• For The installation: If you are unsure about the installation or maintenance of the luminaires, consult a qualified licensed electrician and check your local electrical code.

• To prevent wiring damage or abrasion, do not expose wiring to edges of sheet metal or other sharp objects.

• Do not make or alter any open holes in an enclosure of wiring or electrical components during kit installation.
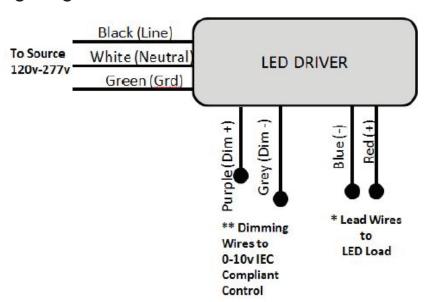

Warning:Risk of fire or electrical shock

• Turn off electrical power at fuse or circuit breaker box before wiring fixture to the power supply.

• Turn off the power when you perform any maintenance.

• Verify that supply voltage is correct by comparing it with the luminaire label information.

• Make all electrical and grounded connections in accordance with the National Electrical Code and any applicable local code requirements.

• All wiring connections should be capped with UL approved wire connectors.

Caution:Risk of injury

• Avoid direct eye exposure to the light source while it is on.

• Account for small parts and destroy packing material, as these may be hazardous to children.

Figure 2

Installation Step:

Always turn off the power supply from main circuit breaker first!

B: Chain Mounting with V hook

Attach customer supplied V-Hooks to each end of the luminaire base.Attach customer supplied chain to the V-hooks and mounting surface.

C: Surface Mounting

Secure luminaire base to mounting surface by inserting customer supplied #8 anchor screws, toggle bolts or suitable fasteners,
depending on structural conditions, into key hole slots on the top side of the luminaire base.

D: T-Bar Clip Mounting Hole

Attach customer supplied T-Bar clips to the designated opening on the luminaire as show in Figure 2.
Bring luminaire into T-Bar ceiling grid and secure luminaire to grid.

NOTE: (Please see Figure 1,Rear of Base is provided with holes for mounting.)
