NuTone offers a variety of hoses so you can choose the one that's just right for your home. Standard, non-powered hoses work with all non-electric tools and come with a convenient storage hanger to neatly hold the hose when not in use.

- 42-foot long, low voltage standard hose provides an extra foot of length compared to other hoses and features a rotary control and on/off switch to regulate the power unit to make the task of vacuuming a little bit easier
- Includes patent pending Universal hose end which fits all NuTone and most other standard inlets for the utmost in flexibility and choice
- Standard hose, in dark grey, with vinyl reinforced construction assures long product life
