

# 47605-14E

# 47605-14E

## Brand Features

14" SMC Enclosure without cover: Leviton's 14" Structured Media Enclosure makes running cable and managing media both simple and more cost-effective. Designed to provide a central distribution point for all your home or small office technologies, the enclosure accommodates networking, fax, Internet, DSL and cable. The Series 140 is the entry level for home networking. This professional grade enclosure creates one distribution point for an apartment or smaller home for all low voltage cables. It accommodates two Pre-Configured Structured Cabling Panels and is built tough to make installation easier and help reduce labor costs. White powder coated 20 gauge steel.
