

## Tamper-Resistant Outlet

ARTR152W8

Select an adorne tamper-resistant outlet to extend this unique look to every inch of your remodel.

### features & benefits

- Outlet is designed with a patented shutter system, keeping children safe by preventing them from pushing small objects into the outlet.
- Configuration easily supports two plugs and offers the capacity of a standard 20A outlet.
- Pair with a 1-Module Nightlight, USB, or Paddle Switch for more flexibility in one wall plate.
- Fits in your existing electrical box and does not require new wires for typical installation. Innovative assembly and snap-in system make it fast and simple to install.
- Shown in a classic white finish. Also available in magnesium.
- Easily customized with adorne wall plates available in a brilliant palette of 32 colors and a variety of luxurious materials.
- Complete your total designer look with options like a stunning adorne Accent Nightlight accessory.
- Your remodel looks like a million bucks. It deserves better than an ordinary light switch. Add that last finishing touch with adorne, a stunning, one-of-a-kind collection of switches, dimmers, and wall plates that will transform your walls from boring to absolutely breathtaking. It's time for a beautiful switch.
