3M™ ScotchCode™ Wire Marker Tape Dispenser with Tape STD-0-9

3M ID 80610733893 UPC# 00054007121749 Part Number **STD-0-9**

[Print](#)

3M™ ScotchCode™ STD-0-9 Tape Dispenser has a compact design for easy handling and 10 refillable compartments to hold non-smear polyester tape rolls. This carry-along dispenser has an end loop that hooks it easily to a tool pouch/belt for added convenience. The pre-printed tapes have a high-tack, acrylic adhesive to resist solvents, oil and water while adhering firmly to insulation surfaces.

- For marking wire and cable
- Refillable dispenser
- Compact design for easy handling
- Includes 1 each of 0 to 9 numbered tape rolls
- Features an end loop to easily suspend it from a tool pouch or belt
- Durable plastic construction
- Withstands temperatures of -40 to 250 degrees F (-40 to 121 degrees C)
- Comes with a tape that has a high-tack, acrylic adhesive which resists solvents and water, making it ideal for marking wires and cables
- RoHS 2011/65/EU Compliant
- 25/case

Overview Documents

3M™ ScotchCode™ **STD-0-9** Tape Dispenser has a durable plastic construction for contamination protection around the wire markers to keep them clean and dry. It dispenses the tape to the desired length to avoid wastage. This tape is ideal for marking wires and cables and has pre-printed numbers and a high-tack, acrylic adhesive to ensure firm adhesion. RoHS 2011/65/EU Compliant.

Specifications
