Scotch® Linerless Rubber Splicing Tape 130C, 3/4 in x 30 ft

3M ID 80610833404 UPC# 00054007417170 Part Number 130C-3/4X30FT

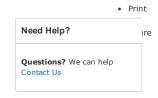

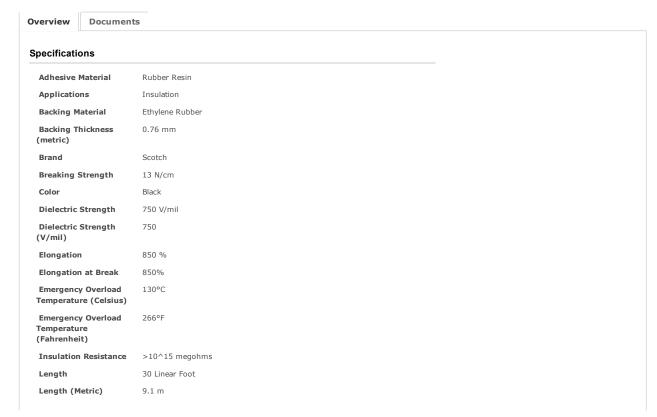

Scotch® Linerless Rubber Splicing Tape 130C is a highly conformable, linerless Ethylene Propylene Rubber (EPR), highvoltage insulating tape that provides excellent thermal dissipation of splice heat. It meets industry specifications and has excellent physical and electrical properties, which help provide immediate moisture seal and void-free buildups.

Scotch® Splicing Tape 130C is rated up to 194°F (90°C) continuous operating temperatures and short-term 266°F (130°C) overload service. This product can be used for low and high voltage (through 69 kV) applications. This tape should be applied like any rubber tape—that is, the side of the tape wrapped inside the roll should be applied outside on the splice (tacky side up). This will help prevent the roll from getting progressively further away from the work area.

- 3/4 in x 30 ft, Black
- Highly conformable, linerless Ethylene Propylene Rubber
- High-voltage insulating tape that provides excellent thermal dissipation of splice heat
- Excellent physical and electrical properties, which help provide immediate moisture seal and void-free buildups
- Rated up to 194°F (90°C) continuous operating temperatures and short-term 266°F (130°C) overload
- Used for low and high voltage (through 69 kV) applications
- · Meets industry specifications

Liner/Linerless

Self-fusing Ethylene Propylene Rubber (EPR) Material

Up to 90 Degree Celsius

Operating Temperature (Celsius)

Up to 194 Degree Fahrenheit Operating Temperature

Product Type Rubber Tapes

RoHS 2011/65/EU

Compliant

(Fahrenheit)

Yes

RoHS EU Comments RoHS 2011/65/EU compliant without exemption

*Important RoHS information

Rolls per Carton Rolls per Case Self-Extinguishing No Yes Sticking/Amalgamating

Shelf Life 5 Year

Solution for Access Network: FTTH/FTTB/CATV, Long-haul/Metro Loop Network: Outdoor

ASTM D-4388 Type 1, 2 & 3, HH-I- 553C Specifications

Suitable for High

Voltage

Tape Grade Premium
