- 25-year warranty

APPLICATIONS:

Nuheat is an ideal room specific heat source option for kitchens, bathrooms, entryways, family rooms/dens, mudrooms, basements, hallways, sunrooms, new additions and laundry rooms.

HOW TO ORDER & PURCHASE NUHEAT:

1. Obtain an accurately measured floor plan indicating all floor penetrations (measuring instructions available at www.nuheat.com/measuring)
2. Determine whether standard mats or custom mats are required
3. If unsure which floor heating solutions is best, fax or email your floor plan to the Nuheat Customer Care Team and a representative will recommend the appropriate mat(s) and controls for your project
4. Upon design confirmation, you will receive a quote for your project (Quote turnaround is typically 36 hrs)
