

Timer Controls: Electronic Countdown Timers

EI215W | Electronic Countdown Timer with Preset Times

EI215W

ELECTRONIC COUNTDOWN TIMER WITH PRESET TIMES

This timer requires no programming; preset countdown times are activated by pressing a single button. Silent operation makes this timer ideal for applications where the noise of mechanical countdown timers is of concern.

Features & Applications

Features

- Provides silent operation in time ranges from five minutes to 12 hours

Applications

- Bathroom Fans
- Spas
- Hot Tubs

- Single-button time selection, with some models having a HOLD mode, for continuous ON operation
- Replaces single-pole switches in a variety of applications
- Incandescent/fluorescent/CFL/LED compatible
- For use with decorator-style wall plate (not included)
- Requires neutral connection
- Storage Closets
- Garage Lights
