Description

SnapNrack Clear L-Foot 1 pc

SnapNrack composition L-foot assembly

SnapNrack Series 100 Flashed L Foot Kit is an innovative solution to provide a long lasting watertight seal over the life of the system. The Flashed L Foot provides a single fastener flashed to an attachment composition shingle roof with no required cutting of shingles. The L Foot is engineered for maximum adjustability for a clean level installation.

The SnapNrack PV Mounting System is a line of solar racking specifically designed to reduce installation time. The SnapNrack system incorporates major technical and production advantages to simplify and reduce the cost of solar installations. These products are designed to be simple, adaptable, and strong. All SnapNrack products are covered by their 10-year warranty.
