DIMENSIONS

PRODUCT SPECIFICATIONS

Housing Features: For use in existing ceilings. Thermally protected magnetic transformer. Single wall construction.

The EL2699RA housing meets restricted air flow requirements (Per ASTM-E283 Standards).

Lamp: 12W Max 12V MR16 GU/GX5.3 bi-pin LED/Halogen (not included, by others)

Transformer: 120V/12V/50W Magnetic AC.

Lamp Holder: MR16 GU/GX5.3 bi-pin socket

Note: Use only dimmers specifically designed for used with magnetic transformer. Low voltage luminaries may produce audible sound when used with dimmers.

INSTALLATION

Junction Box: Pre-wired junction box provided with 1/2" and 3/4" knockout. U.L. listed/C.U.L. listed: for through branch wiring, maximum (8) No. 12 AWG branch circuit conductors (4 in, 4 out). Junction box provided with removable access plates.

Mounting: (4) remodel clips secure housing and accommodate various ceiling thicknesses.

Mounting Frame: Stamped galvaznized steel material and painted for corrosion resistance.

Labels: • U.L. listed for damp locations • U.L. listed for feed through
