

5W120-N

UPC Code: 07847788089

Country Of Origin: United States

** Eligible for ARRA funded projects*

Made in USA

5W120-N

Brand Features

Wall-Mount SDX Enclosures are ideal for fiber applications requiring patching, cross-connect, and/or splicing of single-mode or multimode fibers while utilizing a minimum of space. The small enclosure is an 8.0" high, wall-mount unit that accommodates up to two SDX adapter plates or two SDX MTP cassettes. Like other Leviton fiber enclosures, the small enclosure incorporates many innovative design features at little additional cost.

Item Description

Small Wall-Mount SDX Enclosure, empty, with split metal door and one lock/key. Accepts up to (2) SDX adapter plates or (2) SDX MTP cassettes (sold separately).

Features and Benefits

- Self-healing grommet material protects cable and minimizes dust buildup
- Adjustable fiber management rings easily attach to mounting studs
- Ground terminal lug provides grounding option or cable strain relief
- Cutout on side of enclosure allows access to adapter bulkhead when doors are open
- Door options: split with single lock on service side (optional lock available to install on customer side), solid with or without single lock on customer side
- Constructed of 16-gauge steel, powder-coated black
