B240 - Electrician's Tool Belt Combo (Black)

[Get Price](#)

This tool belt combo is built with the electrician in mind. Like our other tool belt combos it features our padded support belt. This belt features two pouches that count a total of 27 different pockets. The electrician tool pouch is designed for all of your smaller tools and even has a tape chain on it. The nine pocket pouch has larger pockets for carrying larger tools and supplies.

Also recommended are our air-channel suspenders.

Includes:

B201 - Electrician Tool Pouch
B202 - Nine Pocket Pouch
B602 - Hammer Holster
B604 - Tape Clip
B400 - Molded Air-Channel Support Tool Belt
