

# 3/4" Threaded C Type Rigid Conduit Body with Cover

Item No. C2CG

Topaz's Rigid Threaded C type Conduit Body, with Cover and Gasket is manufactured from copper free aluminum. C type conduit bodies are engineered with a straight through configuration and enable the easiest access for pulling and splicing. Cover and water tight gasket ensures weatherproof installations.

Smooth, rounded integral bushings in hubs offers protection for conductor insulation. Excellent ground continuity and corrosion resistance; lightweight aluminum construction; UL listed and available in sizes from 1/2" to 4".
