Maia™

Linear Accent Lighting

Lamp: 3-10W Xenon Wedge Base
(2) 3-10W Xenon Wedge Base

PRODUCT DESCRIPTION

Nora's ultra-compact xenon Lampholders are the perfect size for under cabinet lighting, accent lighting for display cases and cove lighting. Their low profile shape allows the placement of warm, inviting light into areas with limited access. Sturdy construction combined with long lamp life make this an extremely low maintenance system. For use with Nora Low Voltage Mini Track.
