5G108-RR5

Brand Features

The GigaMax Cat 5e UTP QuickPort Connector is designed to be used with any Category 5e UTP structured cabling system. The modular connector features a one-piece narrow design that supports high port density in a small area, and is ideal for use in residential, MDU, and high megabit applications.

Item Description

GigaMax Cat 5e QuickPort Connector, Red

Technical Information

Environmental Specifications
Flammability: Rated UL94V-0

Material Specifications
Contact Base Material: Phosphor Bronze
Body Material: High-Impact Fire-Retardant Plastic
Body Color: Dark Red

Mechanical Specifications
Position / Conductor: 8P8C
Style Name: GigaMax
Termination Type: 110 Punchdown
Connector Feature: Channel-Rated
Cable Type: 8-Conductor UTP Copper Cat 5, 5e and 6
Product ID: Permanently laser-engraved
Wiring Standard: T568A T568B

Performance Specifications
Module Type: Category 5e

Product Features
Module Style: Connector
Module Type: Category 5e
Position / Conductor: 8P8C
Cable Type: 8-Conductor UTP Copper Cat 5, 5e and 6
Connector Feature: Channel-Rated
Termination Type: 110 Punchdown
Category Rating: GigaMax 5e
Contact Base Material: Phosphor Bronze
Body Color: Dark Red
Standards and Certifications: TIA/EIA cULus Listed
Warranty: 1 Year Limited
Packaging: Single Pack 1/bag
Color: Red

Standards and Certifications
**TIA/EIA:** TIA-568-B
UL: cULus Listed
CSA: Certified
NEC: Article 800 Compliant
FCC: Part 68 Compliant
ACA: Compliant

Color: Red

UPC Code: 07847717049

Country Of Origin: United States

Features and Benefits

- Available in 13 colors

- Dual wiring code label allows connector to be wired to either T568A or T568B

- Individual port configurability allows specification flexibility

- Robust one-piece lead-frame design

- Narrow connector allows high port density in a small area

- Performance supports high megabit and shared-sheath applications

- Available individually, in bulk packages of 25, and in bulk packages of 150 with a
  JackRapid Punchdown Tool
