

47693-8P

Brand Features

Leviton's Premium CATV Modules are designed to distribute incoming RF signals (Cable TV, HDTV, Antenna or other modulated sources) to 1, 8 or 16 locations throughout a home or office on coaxial cable. The modules incorporate state-of-the-art bi-directional signaling to support advanced interactive communications via a cable modem or cable box as well as standard CATV, antenna and modulated input from such sources as VCRs, DVDs and security camera/CCTVs. The Premium Line optimizes the performance of digital cable signals to handle advanced technologies offered by cable operators, including delivery of HDTV.

Item Description

1x8 Premium CATV Module, tilt-able bracket, gold plated connectors, includes power supply, white

UPC Code: 07847731147
