

TTI06-1LZ

Brand Features

Leviton offers many products that will help lower electrical costs and add convenience to everyday living. By simply replacing standard switches with dimmers reduces energy consumption and extends bulb life. The True Touch Decora® brand Digital Touch Dimmer is ideal for applications where a low-profile contemporary touch dimmer is desired. True Touch provides fingertip full-range dimming control for incandescent and magnetic low-voltage lighting. Touch once anywhere on the pad to turn lights ON at preset level; touch once anywhere for OFF. Touch and hold to select the precise brightness level desired. True Touch provides full-range single-pole and multi-location dimming when used with TT00R-1 remote unit.
