**Specification Features**

**Plaster Frame**

- Galvanized steel plaster frame with integral bar hanger receivers. Locking screws provide positive horizontal locking.
- Aperture accepts 'install from below' fixture fittings.
- Remote driver/junction box can be attached to mounting frame to facilitate electrical rough-in.

**Bar Hangers**

- Captive preinstalled bar hangers adjust from 8-1/2" to 24" wide
- Pass thru allows shortening without removal.
- Captive nail penetrates standard and engineered lumber.
- Mounting flange levels platform with ceiling.
- Integral clip attaches direction to tee grid.

**Compliance**

- Can be used to meet local code requirements where install from below fixture fittings must be supported directly by building structure.

**Warranty**

One year limited warranty, consult website for details.
