### Price Increases

Throughout July, the following vendors will be

## What's New at EW?

### Fastlane-Express Will Call

**New Britain**

**New Haven**

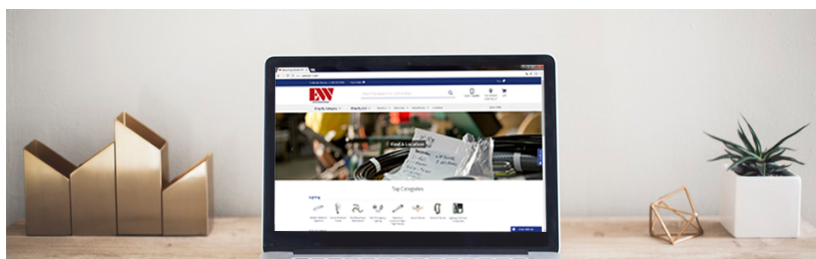

**Waterbury**

Our Express Will Call locations are now live! Are you tired of waiting in line at our branches to pick up material? Order online at [www.ew-ct.com](http://www.ew-ct.com) until 7pm for next day pick-up at one of our Express Will Call locations. Place your orders online or through our mobile app and select "Pick-Up." Go to our dedicated Fastlane area to pick up your materials and go. No in-store signature needed. No more waiting, no more lines! Get in the fast lane today!

Fastlane is currently available in our New Britain, New Haven, Old Saybrook, and Waterbury stores. Look out in our other branches for Fastlane openings. Our ultimate goal is to have our Express Will Call service available in every EW branch.

**Not sure how to register? Check out our User Guide!**

## EW Website Update

following vendors will be implementing price increases:

Bussman  
Eaton Cutler Hammer  
Edwards  
Arlington  
Cooper Lighting  
Mulberry  
Oldcastle  
3M  
NSL

We have done some great retuning to our e-commerce website and now search works a lot better. We have gone to great lengths with each product to include spec sheets, instruction manuals, and brochures. So if you want to look up a product, research it, check your account price, and see if we have it in stock, the easiest way to do that is our e-commerce website. You can place the order there or call/e-mail your sales rep. Try it!

**Register Today at [www.ew-ct.com](http://www.ew-ct.com)**
