Eaton Gear

We are excited to announce a new relationship with Eaton Power Distribution equipment. With the ever-changing demands of the marketplace, and customer requirements, it is important that we provide solutions to our customers. We will continue to support the ABB-GE brand, as we have had a long-standing relationship/ The Eaton products will be supported at the following branches: Danbury, Fairfield, New Haven, New London, Stamford, and Windsor. Please contact your local Sales Rep should you have any questions or concerns!

Contact your sales representative for additional information or **click here!**

Upstream Program

Electrical Wholesalers proudly offers utility incentives through our CT Save program. You can save money on some of our most popular lighting products including LED Flat Panels, High Bays, Downlights, and lamps. This incentive is acquired after your purchase and is provided by the incentive provider who will send someone out to your site after 30 days for inspection. Reach out to our Energy Solutions Team for more information on energy saving solutions and products by emailing energysolutions@usesi.com!

Happy Memorial Day

We Will Be Closed:

Saturday, May 25th & Monday, May 27th

For Memorial Day!
