Inventory

Electrical Wholesalers will be conducting our yearly inventory. While this will not affect most branches, select branches will be closing early, Friday, March 29th so that we can properly count our stock. All branches will further be closed: Saturday, March 30th. Please consult your local EW branch managers for their inventory schedule. We will release more information once our initial audits have been completed. We apologize for any inconveniences that this may cause. We will be back to our normal schedules on Monday, April 1st.
