Reel Solutions

Cutting wire is about to get Reel SIMpull. Introducing our new Reel Solutions Truck! Our truck will be loaded with Southwire SIMpull Reels and available for delivery right to your jobsite. You can decrease labor and increase savings with our in and-out service. With no loading or unloading required, you save on labor, allowing you to complete your jobs more quickly and improve on overall productivity. wire. For more information, email our Technical Solutions Manager, Eric Martenson at emartenson@hzelectric.com!

Throughout March, the following vendors will be implementing price increases:

- Bussman**
- Eaton Lighting**
- Generac**
- Hubbell Lighting**
- Ideal**
- Old Castle (Carson)**
- Philips Luminaires**
- Acuity**
- Arlington**
- Bridgeport**
- Wattstopper**
- Killark**
- Progress**

HZ offers various solutions to help our customers run their jobsites more efficiently. Many customers are utilizing our SIMpull Reels to reduce over 50% of the time it takes to setup and complete their wire pulls! Another time saving solution our customers are taking advantage of is our Fixture Carts. We will unpackage fixtures and ship to jobsites on carts similar to a baker's rack for easy "plug and play" installation.

Have you tried our E-Commerce website yet? Create an account today so to easily check your order history, live pricing, and inventory. You can also create custom shopping lists and view spec sheets. If you order by 7pm, your orders will be available for next day pick-up and delivery.
